Note 1: The top ten shareholders should all be listed, and the names of corporate shareholders and the names of their representatives should be listed separately.

Note 2: The calculation of the percentage of ownership refers to the calculation of the percentage of shareholding in the

name of oneself, one's spouse, one's minor children or the name of another person respectively.

Note 3: The shareholders listed in the preceding paragraph shall include both juristic and natural persons and the relationship between them shall be disclosed as well.
